BILL OF MATERIALS							
NAME	DESCRIPTION	QUANTITY	UNIT	POSITION	WEIGHT		
Pocket	One kangaroo pocket at center front; treated as a single pocket trim unit and excludes printed artwork.	1	Trims	center front	N/A		
Main Neck Label	Rectangular label centered at the back neckline interior and visible inside the hood from the front view. Appears to be a woven neck label stitched along the top edge and lying flat against the inner neck area.	1	Labels	center back neckline interior	N/A		
Front Upper Right Chest Graphic - Screen Print	Small graphic placed on the upper right chest area above the pocket line. Flat, matte ink with sharp edges and no visible relief indicates a conventional screen print; approximately 10cm wide.	1	Artwork	upper right chest	N/A		
Front Center Chest Graphic - Screen Print	Large graphic positioned centrally across the upper chest. Flat, even ink coverage and crisp edges suggest a screen print rather than embroidery; approximately 28cm wide spanning the center chest.	1	Artwork	upper chest	N/A		
Main Fabric	The main material is cotton, polyester. It covers the torso panels, sleeves, hood shell, and the kangaroo pocket body where surface continuity is visible. Excludes the ribbed cuffs and bottom hem and the printed graphics on the chest.	1	Fabric	torso, sleeves, hood shell, kangaroo pocket body	180 GSM		
Ribbing	Ribbed knit located at the sleeve cuffs and bottom hem; it is visibly denser and has a pronounced rib texture distinct from the main body fabric. Runs around both sleeve openings and the garment hem; excludes the pocket and printed graphics.	1	Fabric	sleeve cuffs and bottom hem	300 GSM
